Dear Sir:

In answer to your letter of February 26, asking about the use of Cypress Street Ball Park for training purposes. It would be April 11, before you can start training.

The Brooklyn Dodgers and Montreal Royals are both training here at the same time from March 16, through April 9. They will be packing and leaving April 10, so April 11, your team could move in at Cypress Street.

It would be impossible to book any games on the City Island, as due to the Army and Navy regulations of cutting off or cutting out bright lights so close to the coast. Also, during the day the City Island Field will be turned over to our local highschool baseball teams and our local softball association.

We will be pleased to have your team train here at Cypress Street Ball Park starting April 11. Hoping that this arrangement meets with your approval.

Very truly yours

C. R. Allen
Supt. of Recreation
